World Wide Web Policy

Purpose

The Colonial Virginia Council, Boy Scouts of America, is committed to meeting the needs of all volunteers, scouters, and scouts across the region. As an object of this commitment the Colonial Virginia Council has published a website on the World Wide Web as <http://www.cvcboyscouts.org>. The Colonial Virginia Council website shall contain all information necessary for good communication with districts and units. The Colonial Virginia Council website will follow all guidelines set forth by the Boy Scouts of America National Council. Changes in the Boy Scouts of America's national policies regarding council websites shall be monitored and the Colonial Virginia Council will reflect these standards.

What information does this site collect?

This site does not collect information using "cookies." Occasionally tracking of the number of visitors to the main homepage will be tracked using a simple counter feature, but that information is anonymous data that is not indicative of and cannot be traced to an individual.

Personally identifiable data is collected only by means of form interfaces on the site, into which the user must voluntarily enter the information requested. This information is requested only when it is necessary to accomplish the overt purpose indicated by the interface containing the form that it requests.

No attempt is made to covertly or "quietly" collect personally identifiable information, nor or cookies or any other tracking technology used for the purpose of coordinating information that a user may opt to enter in various interfaces on the site.

What organization is collecting the information?

Information entered by site visitors is retrieved by the Colonial Virginia Council, Boy Scouts of America, 11721 Jefferson Avenue, Newport News, VA 23606, Phone – 757-595-3356.

DoubleKnot, a third party vendor that supplies online registration for the Colonial Virginia Council supplies their own privacy policy, which is available as a user registers for an event. Their privacy policy is available here:
<http://www.doubleknot.com/securityandprivacypolicy.htm>.

How does the Colonial Virginia Council use the information it collects?

The Colonial Virginia Council uses simple data from the counter to tell how many users have visited the site.

Personally identifiable information is used only for the express purpose for which it was submitted. For example, if a user enters their contact information in the "contact us" form for CHASE, the information will only be used to provide them with CHASE related information and correspond with them.

This policy was modified on November 2, 2006.
