

APPLICATION FOR THE

George Meany Award

AMERICAN FEDERATION OF LABOR & CONGRESS OF INDUSTRIAL ORGANIZATIONS

INSTRUCTIONS

The George Meany Award is a national recognition approved by the AFL-CIO Executive Council. It may be presented to any adult union member who has made a significant contribution to the youth of their community through Scouting.

There shall be permitted, annually, one award for each City Central Labor Body plus one for each State Central Labor

Body with emphasis on the importance of being selective. There is no rule that the full quota must be used every year. No honorary recognitions should be made.

The purpose of this award is to recognize the recipient's outstanding service to youth through the programs of the Boy Scouts of America.

GUIDE FOR SELECTION COMMITTEE

Following are some qualifications, a combination of which might make the requirements for this recognition. These are offered as a guide only. However, they are indicative of what the Selection Committee should be looking for. This list is not inclusive as there are many other areas that could be considered. The candidate:

- A. Has notably served in bringing Scouting to more youth
- B. Has assisted organizations in recruiting Scoutmasters and other key leaders

- C. Is fully trained in the skills of Scouting and outstanding for his or her sense of responsibility and humility and good example
- D. Has made a significant contribution to Scouting in the field of labor relationships
- E. Has led in promoting Scouting for all youth regardless of race or creed and has been instrumental in organizing Scouting units in the inner city and ghettos

NOTE: Work accomplishment and dedication rather than a specific number of years in Scouting should be the criteria for receiving this award.
