BALOO Training is a required training for Cub Scout adult leaders who plan on camping. At least 1 BALOO trained adult must accompany any overnight camping trip; Pack Family camping or Webelos Den camping. It is advisable to have more than one adult in a Pack trained.

What to expect?? You'll learn how to make camping activities and outings fun. You'll discover how to keep your Cub Scouts safe and entertained. And you'll learn how to plan an event that's rooted firmly in Cub Scouting's principles. Successful experiences in the outdoors make Cub Scouts — and their parents — more likely to keep coming back.
